Your Information

We may share information with credit reference agencies (CRAs) to verify your identity and suitability for an account, using information from the Electoral Register and other public sources. If you apply for a current account or credit, we may use details of your credit history to assess your ability to meet your financial commitments.

If your application is for a current account or credit, the CRAs will record details which will form part of your credit history whether or not you proceed with your application and if you make several applications within a short period of time, this may temporarily affect your ability to obtain credit. Where you have agreed, we may share details of how you manage any current accounts or borrowing from us with CRAs.

If we make demand for repayment following default and you fail to repay the sum due in full or to make and keep to acceptable proposals for repayment within 28 days, we may (in the absence of any genuine dispute about the amount owed) register the default with the CRAs which may affect your ability to obtain further credit.

If you make a joint application for a current account or credit, an 'association' linking your financial records with those of your fellow applicant(s) will be credited by the CRAs. The credit history of your 'associates' may be taken into consideration in any future application for credit. The 'association' will continue to link your credit histories unless and until you successfully file a 'notice of disassociation' with the CRAs.

To prevent crime, verify your identity, recover debt and to meet our legal obligations, we may exchange information (both within the UK and, where appropriate, overseas) with other members of the HSBC Group and where appropriate, with fraud prevention, law enforcement, debt recovery agencies and other organisations including other lenders.
