Standing order form

It all adds up

We all have a lump sum to save every now and then – your annual bonus, an unexpected inheritance, the proceeds from a car sale... But because these can't always be guaranteed, the best way to save is little and often.

We've enclosed this standing order form to enable you to set up regular deposits into your **first direct** savings account. Simply fill in your account details overleaf, choose a sum you can afford each month (no matter how small), and mail it to your Bank/Building Society.

You'll hardly notice it leave your 1st Account – but you'll certainly appreciate the benefits when the cash starts to build up...
