• do I need to tell you that I’m travelling?
• do you need to know about any medical conditions?
• what is the maximum trip length?
• are holidays in the UK covered?
• are business trips and winter sports covered?
• how do I make a claim?
• can my partner travel independently?

Further details are on page 2.
Welcome to your First Directory Travel Insurance

Please take time to read this booklet as it contains important information including a Privacy Notice explaining how your data will be used. If you have a question and cannot find the answer either below or in the policy wording, please contact Customer Services.

**COVID-19: What am I covered for?**

Your First Directory Travel Insurance will provide cover for events relating to COVID-19, such as:

- Emergency medical expenses abroad, cancelling or coming home early if you fall ill with COVID-19.
- Cancelling or coming home early if you have to self-isolate or quarantine before you travel or while on your trip due to COVID-19 (please be aware, this doesn’t include having to self-isolate or quarantine when you return from your trip).
- Cancelling or coming home early due to a FCDO advisory notice being in place advising against all or all but essential travel to your destination or, the FCDO are advising British citizens to leave the area in which you are staying. Cover for cancellation is only available in the 31 days before your departure date.

If you have suffered with COVID-19 and needed medical treatment, then as with other medical conditions you may need to tell us about this. We will then screen it and tell you if this affects your cover. Please refer to the Your Health section on page 17.

Your First Directory Travel Insurance will only cover you for unexpected and unforeseen events - please refer to the Known Event section on page 8.

We recommend you read your policy terms and conditions for full details on what is and isn’t covered, in particular Exclusions which apply to this whole option sections 9,11 and 14 on page 14.

**What costs can I claim back from my travel insurance?**

Your travel policy provides cover for unrecoverable costs. If you need to make a claim for travel, accommodation or related costs which you or any insured person has paid, we will consider claims for your costs which are unrecoverable from your travel and/or accommodation provider or agent, your debit/credit card company, PayPal, ABTA, ATOL (or similar organisations).

For example, if your trip is cancelled by your tour operator or booking agent you may have a right to a refund from them for some or all of the cost of your trip.

For further information on what you would need during a claim, please see the Unrecoverable Costs section on page 8.

**Do I need to tell you that I am travelling?**

No. As long as you have told us about any relevant pre-existing medical conditions you do not need to register with us or tell us that you are travelling.

**Do you need to know about any medical conditions?**

Yes. If you, or any insured person have a medical condition(s), you should check to see if the condition(s) is covered automatically on the “Accepted conditions” list. If the condition is not listed and if in the 12 months prior to booking a trip you have been prescribed medication, have received or are awaiting medical treatment, tests or investigations, being referred to a specialist or admitted to hospital, then you should call us before booking trips. Undiagnosed symptoms are not covered. Please see the ‘Your Health’ section with the “Accepted conditions” list on pages 17 and 18 for full details of when and what you must declare.

**What is the policy excess?**

Where a policy excess applies it is £50 per person, per trip.

• the languages spoken, time zones, bank holidays and climate of countries you plan to visit;
• import and export allowances for tourists.

While travelling:
• how to replace lost or stolen passports, driving licences, air tickets or other travel documents;
• how to trace your baggage with the airline operator if it is delayed or lost;
• why, how, where and when you should contact local embassies or consulates;
• how to transfer money out to you if you need it;

• provide information to close relatives, friends or employers if you have to go into hospital.

Other emergency services while travelling:
• a ‘phone home’ translation and interpretation service if you need it in an emergency.

Please note: There is no charge for the provision of the advice guidance or other emergency service shown above. However, if you wish us to obtain goods or services on your behalf that are not covered by a claim under this policy, you will need to pay any fees that the provider charges and you will need to adhere to the provider’s terms and conditions.

Section 1 Important Information

About First Directory Travel Insurance

Known Event
First Directory Travel Insurance covers you for unexpected and unforeseen events and circumstances, for example, if you have an accident while you are on holiday and need urgent medical treatment this will be covered.

There is no cover in relation to any event, incident or circumstances, if at the time you opened First Directory or booked your trip (whichever is later), you knew that, or you could reasonably be expected to know that:
- the event or incident had already occurred or was going to occur, or
- the circumstances existed or were going to exist
and the event, incident or circumstances could reasonably be expected to affect your travel plans.

For example:
- you would be reasonably expected to know of any event, incident or circumstances that had been widely reported in the media in the UK at the time you opened First Directory or booked your trip (whichever is later).
- there is no cover for cancellation of your trip if your travel plans are disrupted because flights are cancelled or any government or authority closes their borders, or imposes restriction of movement and these cancellations or restrictions were in place or had been announced at the time you opened First Directory or booked your trip (whichever is later).

Please refer to General Exclusion 11 on page 14.

Unrecoverable Costs
Your travel policy provides cover for unrecoverable costs. If you need to make a claim for travel, accommodation or related costs which you or any insured person has paid, we will consider claims for your costs which are unrecoverable from your travel and/or accommodation provider or agent, your debit/credit card company, PayPal, ABTA, ATOL (or similar organisations).

For example, if your trip is cancelled by your tour operator or booking agent, you may have a right to a refund from them for some or all of the cost of your trip.

If you are not able to recover all your costs and your circumstances are covered by the terms of your policy, we will consider costs you have been unable to recover.

When you make a claim, we may ask you for:
- proof of booking and any costs paid;
- details of any refund you have been able to obtain;
- evidence that you are not able to recover your costs elsewhere.

Please check this policy booklet carefully to ensure that you understand what is and isn’t covered.

How long does my First Directory Travel Insurance run for?
All cover under this policy will cease automatically if:
1. the First Directory holder:
   - closes the 1st Account from which the First Directory fee is debited.
   - cancels First Directory.
   - reaches 70 years of age (on joint accounts cover continues for the other eligible First Directory holders until they reach age 70).
   - is no longer a UK, Channel Islands or Isle of Man resident.
   - is believed to be or reasonably suspected by us to be acting fraudulently.
2. first direct:
   • cancels the First Directory under one of the reasons set out in the First Directory terms and conditions.

Eligibility
As your circumstances may change over time, it is important that you review the terms and conditions of this policy regularly to check you remain eligible and that the cover remains adequate for your needs.

Travel advice of the Foreign, Commonwealth and Development Office (FCDO)

Foreign, Commonwealth and Development Office - travel advice by country
- Before you book a trip and travel, you should check the FCDO website www.gov.uk/foreign-travel-advice. It is packed with essential travel advice and tips, plus up to date information about different countries
- You should be aware of any travel restrictions or advisory notices for the country you plan to visit
- This policy provides cover should you book a trip and then need to cancel the trip or return home early as a result of the FCDO advising against all travel or all but essential travel, or where British nationals are advised to return home.

We won't cover:
- Any trip if you travel against the advice of the FCDO or any government, or where you do not follow any advice or measures put in place by any government or local authority in the UK or abroad, for example quarantine rules or curfews
- Any claim if the advice or measures were in place or had been announced at the time you opened First Directory or booked your trip (whichever is later)

Meeting your needs
This policy has been designed to meet the needs of people who wish to protect against costs that could arise in the course of their travels. It covers such things as coming home early, emergency medical treatment, personal liability, legal expenses and the theft of your money.

How do I make a claim?
Should you need to make a claim under this policy, please contact the appropriate helpline shown on page 4.

How do I make a complaint?
We hope you will be happy with the service that we provide. However, if for any reason you are unhappy with it, we would like to hear from you. If you are unhappy with any aspect of the handling of your claim please contact
- the Travel Claims Helpline number shown at the front of this booklet; or

**Helpful and Important Information about your Insurance**

This **policy** is included with First Directory. Please read this booklet carefully, keep it in a safe place and take it with you when you travel. It gives you full details of what is covered, what is not covered and the limits, **excesses** and conditions of cover. It is the **First Directory holder’s** responsibility to ensure that all **insured persons** are aware of their responsibility and comply with all of the policy conditions. If you do not comply, we may refuse your claim or reduce your cover in the event of a claim.

In respect of each **trip** taken during the **period of insurance**, we will provide the cover set out in this **policy** document provided:
1. you are a **First Directory holder** and hold a 1st Account;
2. you are a **UK resident**;
3. you are registered with a doctor in the **UK** in order to make any emergency medical claims or claims for cancellation or coming **home** early due to medical emergencies;
4. the **trip** begins after the date First Directory was opened;
5. you have booked your return journey before leaving the **UK**, or if you have an open ticket, you have confirmed your return date with the airline.

**Children**

Dependent children who at the start date of the **trip** are under 23 years of age are only covered:
1. when travelling with the **First Directory holder** or his/her **partner**; or
2. whilst travelling abroad on their own to stay with **close relatives** who permanently live abroad, for the duration of the **trip**.

**Automatic cover**

The insurance cover automatically applies for each **trip**; this means you do not have to contact us every time you book a **trip**, unless you need to tell the Medical Risk Assessment Helpline about any change to a previously disclosed medical condition or the diagnosis of a new condition. Please also read “Information and changes we need to know about” below.
Information and Changes we need to know about

**You** must take reasonable care to provide complete and accurate answers to the questions we ask you. For example before you book a trip or travel, you may need to tell the Medical Risk Assessment Helpline about medical conditions not shown on the “Accepted conditions” list. After your First Directory is opened, you must make sure that you tell the Medical Risk Assessment Helpline if there are any changes in health. Please see the ‘Your Health’ section of this policy for full details of what you need to declare.

You also need to tell first direct if you move address – if this means that you are no longer a UK resident then all cover under this policy will end.

When we are notified of a change, we will tell you if it affects this policy, for example whether we are able to accept the change and if so, whether the change will result in revised terms. If the information provided by you is not complete and accurate we may:
1. revise or amend the medical underwriting decision(s) for any declared pre-existing condition(s), which may result in the accepted condition being excluded; or
2. refuse to pay any claim; or
3. not pay any claim in full.

If you are in any doubt about Information or Changes we need to know about, please contact us.

Automatic extension of cover

If you cannot get back home before your cover ends, this policy will remain in force as follows:
1. up to 14 days if any vehicle you are travelling in breaks down, or any vehicle, vessel, train or aircraft in which you are booked to travel as a ticket holding passenger is delayed or cancelled; or
2. for as long as medically necessary where you are claiming for emergency medical treatment under this policy.

Reciprocal Health Agreements
(Residents of England, Scotland, Wales and Northern Ireland only)

The UK has reciprocal healthcare agreements with a number of countries and territories worldwide. If you are a UK resident, these agreements mean that you may be entitled to urgent medical treatment at a reduced cost, or in some cases for free. We strongly recommend that you check if the country you are travelling to has a reciprocal health agreement in place and what the requirements are before you leave the UK. You can find more information on-line at www.nhs.uk and search for Healthcare abroad.

Medicare

If you require medical treatment in Australia, you must enrol with a local Medicare office. You do not need to enrol on arrival but you must do this after the first occasion you receive treatment. In-patient and out-patient treatment at a public hospital is then free of charge. Details of how to enrol and the free treatment available can be found at humanservices.gov.au by searching for Medicare forms.

Aviva collect and use personal information about you so that they can provide you with a policy that suits your insurance needs. Some of this information may be collected directly from you and some may be collected from other sources including first direct, for example, during the sale and administration of the policy. Aviva is the data controller in respect of your personal information that it has received from first direct, as intermediary, and also in respect of any information that it has collected directly from you or from other sources as set out in its Privacy Policy.

In this section “we”, “us” or “our” means Aviva Insurance Limited.

Personal Information

We collect and use personal information about you so that we can provide you with a policy that suits your insurance needs. This notice explains the most important aspects of how we use your information but you can get more information about the terms we use and view our full privacy policy at www.aviva.co.uk/privacypolicy or request a copy by writing to us at Aviva, Freepost, Mailing Exclusion Team, Unit 5, Wanlip Road Ind Est, Syston, Leicester, LE7 1PD.

The data controller responsible for this personal information is Aviva Insurance Limited as the underwriter of the product. Additional controllers include first direct, a division of HSBC UK Bank plc (HSBC), who are responsible for the sale and administration of the product, and any applicable insurers, reinsurers or brokers we use.

Personal information we collect and how we use it

We will use personal information collected from you and obtained from other sources:

• to provide you with insurance: we need this to decide if we can offer insurance to you and if so on what terms and also to handle any claims,
• to support legitimate interests that we have as a business. We need this to:
  - manage arrangements we have with our insurers, reinsurers and brokers we use, and for the detection and prevention of fraud,
• to meet any applicable legal or regulatory obligations: we need this to meet compliance requirements with our regulators (e.g. Financial Conduct Authority), to comply with law enforcement and to manage legal claims, and
• to carry out other activities that are in the public interest: for example we may need to use personal information to carry out anti-money laundering checks.

We may also use personal information about other people, for example family members you wish to insure on a policy. If you are providing information about another person we expect you to ensure that they know you are doing so. You might find it helpful to show them this privacy notice.

The personal information we collect and use will include name, address, date of birth and financial information. If a claim is made we will also collect personal information about the claim from you and any relevant third parties. We may also need to ask for details relating to the health or any unspent offences or criminal convictions of you or somebody else covered under your policy. We recognise that information about health and offences or criminal convictions is particularly sensitive information. We’ll ensure that we only use that information where we need to for our insurance purposes (including assessing the terms of your insurance contract, dealing with changes to your policy and/or dealing with claims).
There may be times when we need consent to use personal information for a specific reason. If this happens we will make this clear to you at the time. If you give us consent to using personal information, you are free to withdraw this at any time by contacting us – refer to the “Contacting us” details below. Please note that if consent to use this information is withdrawn we will not be able to continue to process the information you gave us for this/these purpose(s). This would not affect our use of the information where consent is not required.

Of course, you don’t have to provide us with any personal information, but if you don’t provide the information we need we may not be able to proceed with your application or any claim you make.

Some of the information we use as part of this application may be provided to us by a third party. This may include information already held about you within the Aviva group, including details from previous quotes and claims, information we obtain from publicly available records, our trusted third parties and from industry databases, including fraud prevention agencies and databases.

**Credit Reference Agency Searches**

To ensure the Insurer has the necessary facts to assess your insurance risk, verify your identity, help prevent fraud and provide you with our best premium and payment options, the Insurer may need to obtain information relating to you at quotation, renewal and in certain circumstances where policy amendments are requested. The Insurer or their agents may undertake checks against publicly available information (such as electoral roll, county court judgments, bankruptcy orders or repossession(s)). Similar checks may be made when assessing claims.

The identity of our Credit Reference Agency and the ways in which they use and share personal information, are explained in more detail at www.transunion.co.uk/crain.

**Automated decision making**

We carry out automated decision making to decide whether we can provide insurance to you and on what terms, deal with claims or carry out fraud checks. In particular we use an automated underwriting engine to provide a quote for this product, using the information we have collected.

**How we share your personal information with others**

We may share your personal information:

- with the Aviva group, our agents and third parties who provide services to us, and other insurers (either directly or via those acting for the insurer such as loss adjusters or investigators) to help us administer our products and services,
- with regulatory bodies and law enforcement bodies, including the police, e.g. if we are required to do so to comply with a relevant legal or regulatory obligation,
- with other organisations including insurers, public bodies and the police (either directly or using shared databases) for fraud prevention and detection purposes,
