This document is available in large print, audio and Braille. Please contact us on: 08 456 100 100 or Text-phone 08 456 100 147 and we will be pleased to organise an alternative version for you.
Welcome

This guide explains how your banking works. It takes you through the ways you may be able to access your accounts, make payments and keep both your finances and information safe. It applies to both your 1st Account and any savings accounts you have, however, not all of the services mentioned apply to all types of accounts.

Discover the difference

Your 1st Account is designed to take care of all your day-to-day banking needs. We can help you transfer any standing orders or Direct Debits that you may have elsewhere.

Ways to bank

Online

Our online banking service is the perfect way to keep track of your money wherever you are. It puts you immediately in control of your finances 24 hours a day, 7 days a week, 365 days a year, giving you an instant view of your selected first direct accounts, together with balances, statements, payment details and more:

- view balances and receive statements online
- pay bills
- transfer money
- manage standing orders and Direct Debits.

To register for Internet Banking, visit firstdirect.com, click on Internet Banking at the top of the page and follow the instructions.

To use Internet Banking for the first time, you must set up a telephone password. Once you have done this, we will supply you and, in the case of joint accounts, both of you, with your unique identifier which you can then use to access the service together with other security information that we request.

By phone

You can call us any time of day or night, seven days a week, 365 days a year. Your call will always be answered by a real person here in the UK. Call us on 08 456 100 100 from the UK and on +44 113 234 5678 from abroad.

When you open your 1st Account with us we will ask you if you would like to register for Telephone Banking. We’ll ask you to provide us with a password and some information personal to you. When you call we will ask you for two letters from this password and the answer to an additional security question.

By Text-phone

You can contact us using a Text-phone on 08 456 100 147 from the UK and via the Text Relay service on +44 151 494 1260 from abroad.

Please remember to clear your Text-phone’s memory after every conversation with us.

Remember to tear out and destroy any printed record of your personal details from any printer attached to your Text-phone. Keep your Text-phone in good working order as a general security measure.

On your mobile

You can view your accounts on your smartphone by using our app, or by logging on to Internet Banking via firstdirect.com.

Text Message Banking

Our Text Message Banking service keeps you in touch with your money. Where you have provided us with your mobile phone number, we’ll automatically send you a weekly mini-statement to your mobile showing your balance and last five transactions. We can also send you personalised text messages, giving you more control over your money. You can enjoy mini-statements and texts letting you know everything from your balance, to the fact your salary’s in.
Paying for goods and services
Our debit cards can be used wherever you see the Visa logo – with some of our newer cards you can also make contactless payments. You can use your debit card in person or remotely.

Recurring Transactions
A recurring transaction, sometimes called a continuous payment authority, is a series of payments collected with your agreement from your debit card by a retailer or supplier (for example, insurance cover). This is an agreement between you and the retailer. The Direct Debit Guarantee does not cover these transactions. If you wish to cancel a recurring transaction you can do this with the retailer or us. If you contact the retailer you will also be able to deal with the agreement you have with them and you can make other arrangements for payment or cancellation of the goods or services. If you cancel with the retailer, we recommend you keep evidence of the cancellation. Once you have cancelled with the retailer or us, if the retailer does try to collect any future payments under the recurring transaction agreement, we will treat these as unauthorised. If we miss any of the cancelled transactions, please contact us.

Cashback
Many retailers offer cashback of up to £100 (if the funds are available in your account or you have a covering overdraft) when paying for goods with your Visa debit card.

Paying in
You can easily arrange to have your salary paid directly into your first direct account. You can also pay funds into your first direct account by transfer from another bank or send cheques to us by post.

In HSBC branch
For speed and convenience, most HSBC branches offer:

- **Paying-in machines**
  These machines allow you to conveniently deposit cheques and cash. You’ll receive a handy acknowledgement receipt once you’re done.

- **Cash machines**
  Use an HSBC cash machine in the UK to withdraw cash, check your account balance, top up your mobile phone, pay your credit card bill, get a mini-statement or change your PIN. You can also withdraw cash, up to your daily card limit, from cash machines worldwide wherever you see the Visa logo.

- **Paying in**
  You can pay cash or cheques in free of charge at HSBC branches.

Services available at Post Office® branches
You can withdraw cash, pay in cash and check your current account balance at Post Office® branches in the UK using your debit card. You can also pay in cheques by completing a pre printed paying in slip from your paying in book or cheque book and handing this to the Post Office® cashier in a paying in envelope.

Cash withdrawals at Post Office® branches will be deducted from your daily card withdrawal limit. Cheques deposited at Post Office® branches must have a pre printed paying in slip enclosed and will take longer to reach your account. Cheque Deposit envelopes are available from Post Office® branches.

In certain circumstances, subject to status, we may offer a cheque encashment service at Post Office® branches to customers who are unable to use a Chip and PIN card. Please contact us for further information regarding this service. We may withdraw this service at any time based on account conduct.
Making payments

As well as withdrawing cash from your account, you can select from a wide range of payment methods to suit your personal needs.

For more information about payments, including cut-off and processing times, see the Important information section at the end of this booklet.

Direct Debit Guarantee
The Direct Debit Guarantee is offered by all banks and building societies that take part in the Direct Debit Scheme, we are a member of the Scheme. If an amount to be paid by direct debit changes, or the payment date changes, the organisation receiving the payment will notify you at least ten business weekdays in advance of your account being debited, or as otherwise agreed. If an error is made by the organisation or us, we will give you a full and immediate refund of the amount paid. For further information regarding the Direct Debit Guarantee and the Direct Debit Scheme, go to directdebit.co.uk.

**Payments by cheque**

While payments by cheque are less frequent these days, they can still be useful. Cheques are only available on your 1st Account, here are some tips for 1st Accounts which offer cheque books.

Cheques that you write pass through a clearing process. Normally there will be two working days before the money is deducted from your account after the recipient pays it into their account. This can be shorter if you are with the same bank.

**Receiving cheques**

When you pay a sterling cheque into your account in the UK, we need to obtain funds from the bank who issued the cheque – this is known as ‘clearing a cheque.’ The central clearing cycle normally takes three working days after the day the cheque has been paid in before you can withdraw the money. Any cheques paid in after 3.30pm will be treated as received the following business day. The diagram below shows when to expect cleared funds in your account. Cheques may take longer to clear when paying in via another bank or an agent such as the Post Office.

**Central clearing cycle example**

This table shows how the central clearing cycle works:

B = The day the money is normally available to withdraw through a cash machine  
I = The day from when overdraft interest and/or credit interest (as applicable) is calculated from, including the cheque within your cleared account balance.
Cheque books
When you only have a few cheques remaining, we will automatically send a new cheque book to the address we have for you. If you require a new cheque book sooner, call us for a replacement. You can also complete and return the re-order form found at the back of some of our cheque books.

Stopping a cheque
You can stop cheques you have written provided we receive the request to stop it before 1.30pm on the day the cheque is presented for payment.

To stop a cheque you need to telephone us with the cheque number, the date of the cheque, who the cheque was payable to and how much it was for. There is a charge for this service, please see the Interest Rates and Charges information for details.

Tips for writing cheques
We recommend that you:

- write clearly and use ink that can’t be erased
- reduce gaps between words or figures
- add further information, eg a reference name or an account number when making a cheque payable to a large organisation
- draw horizontal lines through blank space on the ‘pay’ line
- do not sign a cheque before you use it
- if you post a cheque to someone, clearly write the name of the person you are paying the cheque to and put extra information about them on the front of the cheque e.g. Inland Revenue, Account J Jones.

Overdrafts
We’ll take into account your current standing orders and Direct Debits when assessing your application for an overdraft, using our usual criteria.

You can request an overdraft, or an increase to an existing overdraft limit, on your 1st Account (but not on a savings account) by either:

- making a formal request, that is, you ask us for and we agree to provide you with, an overdraft or an increase to an existing overdraft limit before you authorise any payments or withdrawals from your account that, if made by us, would cause your account to go overdrawn or over an existing overdraft limit; or
- by way of an informal request, that is, where you authorise a payment or withdrawal to be made from your account which, if made by us, would cause your account to go overdrawn or over an existing overdraft limit, without having agreed with us in advance an overdraft or an increase to an existing overdraft limit on your account to cover such payment.
We won’t charge for formal overdraft requests; we may charge an overdraft set up fee for setting up an overdraft with you following an informal request.

We always recommend that you contact us in advance if you think you might need an overdraft so that you can avoid incurring unnecessary costs. Please see firstdirect.com/oftexamples for examples from the Office of Fair Trading that show how much an overdraft may cost you if not arranged in advance.

**Overdraft set up fees**
No overdraft set up fee is payable if, in the last 6 months, we have not agreed to an informal overdraft request from you.

Overdraft set up fees are accrued during your monthly statement charging period which is usually the same as your monthly statement period.

**Overdraft set up fee waivers**
We will not charge an overdraft set up fee:
- for any formal overdraft request; or
- provided within the last 6 months, we have not agreed to an informal overdraft request from you; or
- for Informal Overdrafts of up to £10
- for Informal Overdrafts if covering funds are paid in before the end of the day; or
- if debited overdraft set up fees (or overdraft interest) cause your account to go overdrawn or further overdrawn.

We will not charge more than one overdraft set up fee a day.

Before we deduct overdraft interest and/or overdraft set up fees, we will give you at least 14 days notice of the amount to be deducted.

**Overdraft interest and credit interest rates**
Full details can be found in your Interest Rates and Charges information.
Protecting your information

It’s important to keep your finances safe. Here are some of the steps you can take to help keep your money and information secure:

- **Keep your details up-to-date**
  Let us know if you change your name or contact details as soon as possible, by phoning or writing to us. Remember to make sure that confidential information detailed in any of our communications with you is not seen by anyone else.

- **Regularly check your statements**
  You should check your statements as soon as you receive them or as soon as they are available online, and call us immediately if anything looks suspicious.

Switching Process

If there is a failure in the switching process we will refund any overdraft set up fees or overdraft interest you’ve paid to us, and if you are a Northern Ireland customer your old bank should refund any charges or overdraft interest you’ve paid to them.

If you are a Northern Ireland customer and you use our switching service we can offer you an overdraft free of any overdraft interest and overdraft set up fees. We can offer you this overdraft for three months from the date that you open your account with us, taking into account your existing Direct Debits and standing orders, subject to our usual credit assessment criteria.

If you are a Northern Ireland customer and you use the Current Account Switch Service, we can offer you an overdraft free of any overdraft interest and overdraft set up fees. We can offer you this overdraft for three months from the date that you open your account with us, taking into account your existing Direct Debits and standing orders, subject to our usual credit assessment criteria. If you do not require an overdraft or if one is not available, we will, within a reasonable period of time, give you back any charges or interest that you had to pay because of a failure during the switch process.

If you are a Northern Ireland customer and you use the Current Account Switch Service, your old bank will close your old account, if you have given permission for this to happen; and within a reasonable period of time, give you back any charges or interest you have had to pay them because of a failure during the switching process.

The Current Account Switch Service is backed by a guarantee which makes sure you will be refunded any interest (lost or paid) as well as charges on either your old or new bank accounts in the unlikely event of something going wrong with your switch.
Additional information

Services for disabled customers
Customers with disabilities may find the following services particularly convenient:

- Text-phone service available to customers – please call 08 456 100 147 to access this service
- statements and correspondence in braille, audio and large print
- cheque, pay-in slip and plastic card templates
- calls via the Text Relay service
- chip and signature cards - if you have trouble using a chip and PIN card, a chip and signature card can be issued in its place
- hearing loops in HSBC branches to assist hearing aid users.

Dormant accounts
If you ask us, we will tell you how you can access an account that has been inactive for two years or more, either directly or via the British Bankers’ Association, the Building Societies Association or National Savings and Investments dormant account scheme. If you have money in a dormant account, it will remain your property (or if you die it will form part of your estate).

What are your thoughts?
Your views are important to us. If we do not deliver the standard of service you expect, or if we make a mistake, we want to know. We will investigate the situation and set about putting things right as quickly as possible. Where appropriate, we will also take steps to avoid making similar mistakes in the future.

Contact us and provide us with the details of your complaint. Where possible, we will try to give you an answer there and then.

You can contact the department concerned in the following ways: from the UK 08 456 100 100 (Text-phone 08 456 100 147) or from abroad +44 113 234 5678 (Text Relay +44 151 1494 1260); by secure e-message (“dissatisfied”); or by writing to Customer Relations first direct, 40 Wakefield Road, Leeds LS98 1FD.

We intend to resolve your concerns fairly and quickly. In most cases this can be done if you allow the department involved to listen to your concerns, understand the problem and then deliver an effective solution to you. However, if you remain dissatisfied and you would like more information about our process or resolving complaints, please ask for explanatory leaflet, ‘Listening to Your Comments’.

You may be able to refer your complaint to the Financial Ombudsman Service. You can write to: Financial Ombudsman Service, South Quay Plaza, 183 Marsh Wall, London E14 9SR.

e-mail: enquiries@financial-ombudsman.org.uk

You can call the Financial Ombudsman Service on 0800 0 234 567 or 0300 123 9 123 or send a fax on 0207 964 1001 or simply log on to their website at complaint.info@financial-ombudsman.org.uk

To help us continually improve our service and in the interests of security we may monitor and/or record your telephone calls with us.

**Payments, cut-off and processing times**

Provided you have asked us to make a payment before the relevant cut-off time (see tables on pages 5 to 7 for details), then the maximum processing times for payments to reach the recipient’s bank are as follows:

- **Internal transfers** – immediate.
- **Bill payments** – immediate for bill payments to other accounts with us and/or HSBC Bank plc, same day for other bill payments we can pay via faster payments. Next business weekday for other bill payments. Three business weekdays for bill payments to HSBC Bank International branch.
- **Electronic Fund Transfers** – same day.
• Currency Account Transfers – next business weekday day except for Moroccan Dirham accounts which may be up to 2 business weekdays.
• Priority payments – next business weekday (within the EEA and in EEA currency). Up to 5 business weekdays (outside the EEA and/or non EEA currency) but this may take longer depending upon the country the money is being sent to.
• SEPA payments – next business weekday.
• Standing Orders – immediate for standing orders to other accounts with us and/or HSBC Bank plc (up to 2 hours to a credit card with us and/or HSBC Bank plc), same day for any other standing orders. Three business weekdays for a standing order to an account at HSBC Bank International branch.

For more information about payments, including cut-off and processing times, please ask us or see your Account terms and conditions.

The Financial Services Compensation Scheme

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors – including most individuals and small businesses – are covered by the scheme.

In respect of deposits, an eligible depositor is entitled to claim up to £85,000. For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the combined amount in all the eligible depositor’s accounts with the bank, including their share of any joint account, and not to each separate account.

first direct and HSBC are both trading names of HSBC Bank plc and customers who hold deposits under both trading names will only be eligible for one claim of £85,000 in total. FSCS limit is correct as at 31 December 2010.

For further information about the compensation provided by the FSCS (including the amounts covered and eligibility to claim) please ask at your local HSBC branch, refer to the FSCS website FSCS.org.uk or call the FSCS on 020 7741 4100 or 0800 678 1100. Please note only compensation related queries should be directed to the FSCS.
